Course Designations and Formats

Onsite Course Designation: if a course number does not contain a DL or DLA suffix, it is an onsite course. (e.g. BL275)
Distance Course Designation: DL = online, synchronous (e.g. PE131DL); DLA = online, asynchronous (e.g. BE106DLA)
Blended Course Format: synchronous; some students join the class onsite at the same time that others join via live-streaming
Hybrid Course Format: synchronous; one component of the course is offered onsite and another component is offered online
Split Course Format: synchronous, the first half of the course is held at one time in the academic year, and the second half of the course is held later in the academic year. (e.g. PA110a and PA110b)

(note: course offering subject to change)
